BLACKWELL'S BULL DURHAM SMOKING TOBACCO.

I'm an old smoker, and have at one time or another tried all the different Smoking Tobaccos, but for a good smoke Bull Durham beats 'em all.

A leading characteristic of Bull Durham has always been the hold which it takes on old and fastidious smokers.

What its excellence first secured, its uniformity has always retained, and it is, therefore, to-day as twenty-five years ago, the most popular Smoking Tobacco in the world.

Get the genuine. Made only by Blackwell's Durham Tobacco Co., DURHAM, N. C.
